| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, FACS, IF, IHC, WB                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | This ALDH2 antibody was produced from a mouse immunized with ALDH2 recombinant protein.                                                                                                                                                                       |
| Produktbeschreibung      | This protein belongs to the aldehyde dehydrogenase family of proteins. Aldehyde dehydrogenase is the second enzyme of the major oxidative pathway of alcohol metabolism. Two major liver isoforms of this enzyme, cytosolic and mitochondrial, can be dist... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | In 1X PBS pH 7.4 with 0.09% sodium azide                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [138CT22.3.8]                                                                                                                                                                                                                                                 |
| Isotyp                   | Mouse IgG1, k                                                                                                                                                                                                                                                 |

|                        |                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P05091</a>                                                                                               |
| Puffer                 | In 1X PBS pH 7.4 with 0.09% sodium azide                                                                             |
| Reinheit               | Purified                                                                                                             |
| Formulierung           | In 1X PBS pH 7.4 with 0.09% sodium azide                                                                             |
| Target-Kategorie       | ALDH2                                                                                                                |
| Antibody Type          | Primary Antibody                                                                                                     |
| Application Verdünnung | Western blot: 1:1000,IHC (Paraffin): 1:50-1:100,Flow Cytometry: 1:10-1:50,Immunofluorescence: 1:10-1:50              |
| Anwendungsbeschreibung | Titration of the ALDH2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
