# **Superior Prime Broth(TM)**

**MDL-MD12-121**

Artikelname	Superior Prime Broth(TM)
Artikelnummer	MDL-MD12-121
Hersteller Artikelnummer	MD12-121
Alternativnummer	MDL-MD12-121
Hersteller	Molecular Dimension
Kategorie	Sonstiges
Produktbeschreibung	Superior Prime Broth(TM) (Liquid)... A superior medium for the growth of most bacteria, yeasts, and fungi. It is particularly useful for the growth of slow-growing organisms and for the production of large amounts of cellular material. The medium contains a variety of nutrients, including amino acids, vitamins, and minerals, which provide the necessary building blocks for cell growth. It is also designed to support the production of large amounts of cellular material, making it ideal for use in research and development applications.
