| Hersteller Artikelnummer | BP7810a                                                                                                                                                                                                                                                       |
| Alternativnummer         | ABT-BP7810A-500UG                                                                                                                                                                                                                                             |
| Hersteller               | Abcepta                                                                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | BRAF, a member of the RAF subfamily of Ser/Thr protein kinases, is involved in the transduction of mitogenic signals from the cell membrane to the nucleus. It may play a role in the postsynaptic responses of hippocampal neuron. This cytoplasmic prote... |
| NCBI                     | <a href="#">673</a>                                                                                                                                                                                                                                           |
| UniProt                  | <a href="#">P15056</a>                                                                                                                                                                                                                                        |
| Formulierung             | Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.                                                                                                                          |
| Target-Kategorie         | The synthetic peptide sequence is selected from aa 65~80 of human BRAF.                                                                                                                                                                                       |
