## Product Datasheet

### **Hepatitis C virus core protein monoclonal antibody, clone A1/3D1, Clone: [A1/3D1], Mouse, Monoclonal ABN-MAB6324**

|                          |                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------|
| Artikelname              | Hepatitis C virus core protein monoclonal antibody, clone A1/3D1, Clone: [A1/3D1], Mouse, Monoclonal |
| Artikelnummer            | ABN-MAB6324                                                                                          |
| Hersteller Artikelnummer | MAB6324                                                                                              |
| Alternativnummer         | ABN-MAB6324-500                                                                                      |
| Hersteller               | Abnova                                                                                               |
| Wirt                     | Mouse                                                                                                |
| Kategorie                | Antikörper                                                                                           |
| Applikation              | ELISA                                                                                                |
| Spezies Reaktivität      | Virus                                                                                                |
| Immunogen                | A synthetic peptide corresponding to Human hepatitis C virus (HCV) core Protein.                     |
| Produktbeschreibung      | Mouse monoclonal antibody raised against synthetic peptide of hepatitis C virus core protein....     |
| Klonalität               | Monoclonal                                                                                           |
| Klon-Bezeichnung         | [A1/3D1]                                                                                             |
| Puffer                   | Lyophilized from 10 mM PBS, pH 7.2                                                                   |
| Formulierung             | Lyophilized                                                                                          |

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Antibody Type          | Monoclonal Antibody                                                |
| Application Verdünnung | The optimal working dilution should be determined by the end user. |
