## Product Datasheet

### Neuroserpin Antibody, Unconjugated, Rabbit, Polyclonal AFB-AF4065

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Neuroserpin Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                       |
| Artikelnummer            | AFB-AF4065                                                                                                                                                   |
| Hersteller Artikelnummer | AF4065                                                                                                                                                       |
| Alternativnummer         | AFB-AF4065-100,AFB-AF4065-200,AFB-AF4065-50                                                                                                                  |
| Hersteller               | Affinity Biosciences                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | ICC, IF, WB                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                            |
| Immunogen                | A synthesized peptide derived from human Neuroserpin, corresponding to a region within the internal amino acids.                                             |
| Konjugation              | Unconjugated                                                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                                                   |
| Reinheit                 | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific).                                 |
| Formulierung             | Supplied at 1.0mg/mL in phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| Antibody Type            | Primary Antibody                                                                                                                                             |

|                        |                                     |
|------------------------|-------------------------------------|
| Application Verdünnung | WB 1:500-1:1000, IF/ICC 1:100-1:500 |
|------------------------|-------------------------------------|
