## Product Datasheet

### **Hepatitis D virus Large delta + Small delta protein antibody, Unconjugated, Rabbit, Polyclonal GTX135576**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | Hepatitis D virus Large delta + Small delta protein antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | GTX135576                                                                                      |
| Hersteller Artikelnummer | GTX135576                                                                                      |
| Alternativnummer         | GTX135576-100,GTX135576-25                                                                     |
| Hersteller               | GeneTex                                                                                        |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | WB                                                                                             |
| Spezies Reaktivität      | Virus                                                                                          |
| Immunogen                | Full length HepatitisHepatitis D virus Small delta recombinant protein.                        |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Konzentration            | 1.9 mg/ml (Please refer to the vial label for the specific concentration.)                     |
| Puffer                   | 1XPBS (pH7), 20% Glycerol, 0.025% ProClin 300.                                                 |
| Reinheit                 | Purified by antigen-affinity chromatography.                                                   |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
