| Alternativnummer         | GTX632065-100,GTX632065-25                                                                                            |
| Hersteller               | GeneTex                                                                                                               |
| Wirt                     | Mouse                                                                                                                 |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ICC, IHC-P, IP, WB                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                     |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human DCK. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                          |
| Klonalität               | Monoclonal                                                                                                            |
| Konzentration            | 2.01 mg/ml (Please refer to the vial label for the specific concentration.)                                           |
| Klon-Bezeichnung         | [GT10412]                                                                                                             |
| Molekulargewicht         | 31                                                                                                                    |
| Isotyp                   | IgG2b                                                                                                                 |
| NCBI                     | <a href="#">1633</a>                                                                                                  |

|                        |                                                                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P27707</a>                                                                                                                                                                      |
| Puffer                 | PBS, no Preservative.                                                                                                                                                                       |
| Reinheit               | Affinity purified by Protein A.                                                                                                                                                             |
| Formulierung           | Liquid                                                                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000. IP: 1:100-1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
