## Product Datasheet

### **Zika virus Envelope protein antibody [GT871], IgG2a, Unconjugated, Mouse, Monoclonal GTX634157**

|                          |                                                                                                                                                                                                  |

| Artikelnummer            | GTX634157                                                                                                                                                                                        |
| Hersteller Artikelnummer | GTX634157                                                                                                                                                                                        |
| Alternativnummer         | GTX634157-100,GTX634157-25                                                                                                                                                                       |
| Hersteller               | GeneTex                                                                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | ELISA, ICC, WB                                                                                                                                                                                   |
| Spezies Reaktivität      | Virus                                                                                                                                                                                            |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the center region of Zika virus Envelope protein (Zika virus (strain H/PF/2013)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                                                     |
| Klonalität               | Monoclonal                                                                                                                                                                                       |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                         |
| Klon-Bezeichnung         | [GT871]                                                                                                                                                                                          |
| Molekulargewicht         | 54                                                                                                                                                                                               |

|                        |                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG2a                                                                                                                                                                        |
| Puffer                 | PBS, no Preservative.                                                                                                                                                        |
| Reinheit               | Affinity purified by Protein A.                                                                                                                                              |
| Formulierung           | Liquid                                                                                                                                                                       |
| Anwendungsbeschreibung | WB: 1:50-1:3000. ICC/IF: 1:100-1:1000. ELISA: 1:1000-1:10000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
