| Artikelname              | Chikungunya virus nsP2 antibody [HL1488], Unconjugated, Rabbit, Monoclonal                                                             |
| Artikelnummer            | GTX636962                                                                                                                              |
| Hersteller Artikelnummer | GTX636962                                                                                                                              |
| Alternativnummer         | GTX636962-100,GTX636962-25                                                                                                             |
| Hersteller               | GeneTex                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | ICC, IHC-P, WB                                                                                                                         |
| Spezies Reaktivität      | Virus                                                                                                                                  |
| Immunogen                | Recombinant protein encompassing a sequence within the N-terminus region of Chikungunya virus nsP2. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                           |
| Klonalität               | Monoclonal                                                                                                                             |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                               |
| Klon-Bezeichnung         | [HL1488]                                                                                                                               |
| Puffer                   | PBS, no Preservative.                                                                                                                  |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Affinity purified by Protein A.                                                                                                                      |
| Formulierung           | Liquid                                                                                                                                               |
| Anwendungsbeschreibung | WB: 1:500-1:10000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
