| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant human Decorin protein fragment (around aa212-336) (exact sequence is proprietary)                                                                                                                                                                 |
| Produktbeschreibung      | Decorin is a small leucine-rich proteoglycan (SLRP) family member that consists of a glycosaminoglycan chain-containing core protein. The core protein contains ten leucine rich repeats that contain sites for glycosylation, flanked by disulfide bond s... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [DCN/7031R]                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 43kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">1634</a>                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                                             |
