## Product Datasheet

### Equine Encephalitis Virus nsP2 antibody [HL1920], Unconjugated, Rabbit, Monoclonal GTX637669

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| Artikelname              | Equine Encephalitis Virus nsP2 antibody [HL1920], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | GTX637669                                                                          |
| Hersteller Artikelnummer | GTX637669                                                                          |
| Alternativnummer         | GTX637669-100,GTX637669-25                                                         |
| Hersteller               | GeneTex                                                                            |
| Wirt                     | Rabbit                                                                             |
| Kategorie                | Antikörper                                                                         |
| Applikation              | ICC, IHC-P, WB                                                                     |
| Spezies Reaktivität      | Virus                                                                              |
| Immunogen                | Recombinant fragment of Venezuelan Equine Encephalitis Virus nsP2.                 |
| Konjugation              | Unconjugated                                                                       |
| Klonalität               | Monoclonal                                                                         |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)           |
| Klon-Bezeichnung         | [HL1920]                                                                           |
| Sensitivitaet            | This antibody detects nsP2 protein of VEEV, EEEV, and WEEV.                        |
| Puffer                   | PBS, no Preservative.                                                              |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Affinity purified by Protein A.                                                                                                                       |
| Formulierung           | Liquid                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
