## Product Datasheet

### Trypsin Antibody, Rabbit, Polyclonal ROC-200-401-139S

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| Artikelname              | Trypsin Antibody, Rabbit, Polyclonal                                                                          |
| Artikelnummer            | ROC-200-401-139S                                                                                              |
| Hersteller Artikelnummer | 200-401-139S                                                                                                  |
| Alternativnummer         | ROC-200-401-139S                                                                                              |
| Hersteller               | Rockland Immunochemicals                                                                                      |
| Wirt                     | Rabbit                                                                                                        |
| Kategorie                | Antikörper                                                                                                    |
| Applikation              | ELISA, WB                                                                                                     |
| Spezies Reaktivität      | Bovine                                                                                                        |
| Immunogen                | Anti-Trypsin Antibody was produced by repeated immunizations with bovine pancreatic trypsin protein purified. |
| Konjugation              | Unconjugated                                                                                                  |
| Klonalität               | Polyclonal                                                                                                    |
| Konzentration            | 1.0 mg/mL by UV absorbance at 280 nm                                                                          |
| NCBI                     | <a href="#">780933</a>                                                                                        |
| UniProt                  | <a href="#">P00760</a>                                                                                        |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                    |
| Formulierung             | Liquid (sterile filtered)                                                                                     |

|                        |                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Bovine                                                                                                                                                           |
| Antibody Type          | Primary Antibody                                                                                                                                                 |
| Application Verdünnung | ELISA: 1:5,000 - 1:20,000, WB: 1:1,000 - 1:5,000                                                                                                                 |
| Anwendungsbeschreibung | Anti-Trypsin Antibody has been tested by western blotting and for ELISA. Researchers should determine optimal titers for applications that are not stated below. |
