| Artikelname                      | Rabbit IgG anti-Mouse IgG2a (Fc)-Alk. Phos., MinX none, ALP, Polyclonal , AP |
| Artikelnummer                    | ROC-610-4541                                                                 |
| Hersteller Artikelnummer         | 610-4541                                                                     |
| Alternativnummer                 | ROC-610-4541                                                                 |
| Hersteller                       | Rockland Immunochemicals                                                     |
| Wirt                             | Rabbit                                                                       |
| Kategorie                        | Antikörper                                                                   |
| Applikation                      | ELISA,IHC,WB                                                                 |
| Spezies Reaktivität              | Mouse                                                                        |
| Immunogen                        | Mouse IgG2a heavy chain                                                      |
| Konjugation                      | Alk. Phos.                                                                   |
| Format                           | IgG                                                                          |
| Spezifität                       | IgG2a (Fc)                                                                   |
| Minimale Kreuzreaktivität (MinX) | no cross-adsorbtion                                                          |
| Klonalität                       | Polyclonal                                                                   |
| Konzentration                    | 1.0 mg/mL by UV absorbance at 280 nm                                         |

|                        |                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 0.05 M Tris Chloride, 0.15M Sodium Chloride, 0.001M Magnesium Chloride, 0.0001M Zinc Chloride, 50% (v/v) Glycerol, pH 8.0                                                                                                                                    |
| Formulierung           | Liquid (sterile filtered)                                                                                                                                                                                                                                    |
| Target-Kategorie       | Mouse                                                                                                                                                                                                                                                        |
| Antibody Type          | Secondary Antibody                                                                                                                                                                                                                                           |
| Application Verdünnung | ELISA: 1:2,000 - 1:10,000, IHC: 1:200 - 1:1,000, WB: 1:500 - 1:2,500                                                                                                                                                                                         |
| Anwendungsbeschreibung | Anti-Mouse IgG2a Alkaline Phosphatase antibody has been tested by ELISA, dot blot, and western blot This antibody is assayed against 1.0 µg of Mouse IgG in a standard capture ELISA using pNPP p-nitrophenyl phosphate code NPP-10 as a substrate for 30 mi |
