| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | KLH-conjugated synthetic peptide mapping to a fragment of residues within amino acids 333-362 in the C-terminal region of human ISLR.                                                                                                                         |
| Produktbeschreibung      | MaxLight(TM)650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Coe... |
| UniProt                  | <a href="#">O14498</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A and peptide affinity chromatography.                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)650.                                                                                                                                                                     |
