| Hersteller Artikelnummer | 037125-FITC                                                                                                                                                                                                                                                   |
| Alternativnummer         | USB-037125-FITC-200                                                                                                                                                                                                                                           |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | KLH-conjugated synthetic peptide mapping to a fragment of residues within amino acids 435-465 in the C-terminal region of human ISM1. Species Sequence Homology: mouse                                                                                        |
| Produktbeschreibung      | Applications: Suitable for use in Western Blot, Immunohistochemistry and FLISA. Other applications not tested. Recommended Dilutions: Immunohistochemistry: Formalin fixed, paraffin embedded tissues Optimal dilutions to be determined by the researcher... |
| UniProt                  | <a href="#">B1AKI9</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A and peptide affinity chromatography.                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein isothiocyanate (FITC).                                                                                                                                                   |
