| Alternativnummer         | USB-041165-PE-200                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | ROPN1L antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 39-68 amino acids from the N-terminal region of human ROPN1L.                                                                                             |
| Produktbeschreibung      | The protein encoded by this gene is a sperm protein, which interacts with A-kinase anchoring protein, AKAP3, through the amphipathic helix region of AKAP3. Type II regulatory subunit of cAMP-dependent protein kinase (PKARII) also binds to this helix ... |
| NCBI                     | <a href="#">114122</a>                                                                                                                                                                                                                                        |
