Polyclonal Rabbit anti-Human AADAC Antibody (Biotin, aa301-350, WB) LS-C446956 LS-C446956-100

Artikelname	Polyclonal Rabbit anti-Human AADAC Antibody (Biotin, aa301-350, WB) LS-C446956
Artikelnummer	LS-C446956-100
Hersteller Artikelnummer	LS-C446956-100
Alternativnummer	LS-C446956-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Equine, Human, Primate
Immunogen	Synthetic peptide located between aa301-350 of human AADAC (P22760, NP_001077). Percent identity by BLAST analysis: Human, Chimpanzee, Panda (100%), Gorilla, Marmoset, Dog, Bovine, Lizard (92%), Elephant, Horse (85%).
Konjugation	Biotin
Produktbeschreibung	AADAC antibody LS-C446956 is a biotin-conjugated rabbit polyclonal antibody to AADAC (aa301-350) from human. It is reactive with human, chimpanzee and horse. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	13
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
