## Product Datasheet

### **Polyclonal Rabbit anti-Human SI / Sucrase Isomaltase Antibody (Biotin, aa144-193, WB) LS-C447065 LS-C447065-100**

Artikelname	Polyclonal Rabbit anti-Human SI / Sucrase Isomaltase Antibody (Biotin, aa144-193, WB) LS-C447065
Artikelnummer	LS-C447065-100
Hersteller Artikelnummer	LS-C447065-100
Alternativnummer	LS-C447065-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Gallus, Guinea pig, Human, Monkey, Mouse, Porcine, Primate
Immunogen	Synthetic peptide located between aa144-193 of human SI (P14410, NP_001032). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Panda, Cat, Bovine, Horse, Pig, Chicken (100%), Rat, Dog, Bat (92%), Marmoset, Mouse, Rabbit, Guinea pig (85%)
Konjugation	Biotin
Produktbeschreibung	Sucrase Isomaltase antibody LS-C447065 is a biotin-conjugated rabbit polyclonal antibody to Sucrase Isomaltase (SI) (aa144-193) from human. It is reactive with human, mouse, bovine and other species. Validated for WB...
Klonalität	Polyclonal

Konzentration	0.5 mg/ml
NCBI	<a href="#">6476</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
