Polyclonal Rabbit anti-Human RRBP1 / hES Antibody (Biotin, aa180-229, WB) LS-C447212 LS-C447212-100

Artikelname	Polyclonal Rabbit anti-Human RRBP1 / hES Antibody (Biotin, aa180-229, WB) LS-C447212
Artikelnummer	LS-C447212-100
Hersteller Artikelnummer	LS-C447212-100
Alternativnummer	LS-C447212-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Guinea pig, Human, Monkey, Mouse, Primate, Rabbit
Immunogen	Synthetic peptide located between aa180-229 of human RRBP1 (Q9P2E9-3, NP_001036041). Percent identity by BLAST analysis: Human, Chimpanzee, Gibbon, Monkey, Marmoset (100%), Horse (92%), Gorilla, Bovine (82%), Dog, Rabbit (81%), Mouse (75%).
Konjugation	Biotin
Produktbeschreibung	HES antibody LS-C447212 is a biotin-conjugated rabbit polyclonal antibody to hES (RRBP1) (aa180-229) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	6238
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
