Polyclonal Rabbit anti-Human AADAC Antibody (Biotin, aa38-87, WB) LS-C447301 LS-C447301-100

Artikelname	Polyclonal Rabbit anti-Human AADAC Antibody (Biotin, aa38-87, WB) LS-C447301
Artikelnummer	LS-C447301-100
Hersteller Artikelnummer	LS-C447301-100
Alternativnummer	LS-C447301-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Equine, Human, Primate
Immunogen	Synthetic peptide located between aa38-87 of human AADAC (P22760, NP_001077). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Horse (100%), Monkey, Elephant, Rabbit, Guinea pig (91%), Marmoset, Mouse (90%).
Konjugation	Biotin
Produktbeschreibung	AADAC antibody LS-C447301 is a biotin-conjugated rabbit polyclonal antibody to AADAC (aa38-87) from human. It is reactive with human, chimpanzee and horse. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	13
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
