Polyclonal Rabbit anti-Human AOC2 / SSAO Antibody (Biotin, aa401-450, WB) LS-C447322 LS-C447322-100

Artikelname	Polyclonal Rabbit anti-Human AOC2 / SSAO Antibody (Biotin, aa401-450, WB) LS-C447322
Artikelnummer	LS-C447322-100
Hersteller Artikelnummer	LS-C447322-100
Alternativnummer	LS-C447322-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Equine, Human, Monkey, Mouse, Primate, Rabbit
Immunogen	Synthetic peptide located between aa401-450 of human AOC2 (O75106, NP_033720). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Monkey, Mouse, Dog, Bovine, Rabbit, Horse (100%), Panda, Bat, Pig, Opossum (92%), Galago (85%), Orangutan, Gibb
Konjugation	Biotin
Produktbeschreibung	SSAO antibody LS-C447322 is a biotin-conjugated rabbit polyclonal antibody to SSAO (AOC2) (aa401-450) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	314
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
