Polyclonal Rabbit anti-Human NR2F1 / Coup-TF Antibody (Biotin, aa38-87, WB) LS-C447850 LS-C447850-100

Artikelname	Polyclonal Rabbit anti-Human NR2F1 / Coup-TF Antibody (Biotin, aa38-87, WB) LS-C447850
Artikelnummer	LS-C447850-100
Hersteller Artikelnummer	LS-C447850-100
Alternativnummer	LS-C447850-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa38-87 of human NR2F1 (P10589, NP_005645). Percent identity by BLAST analysis: Human, Chimpanzee, Gibbon, Monkey, Mouse, Rat, Bovine, Pig (100%), Opossum (85%), Zebra finch, Stickleback, Zebrafish (84%).
Konjugation	Biotin
Produktbeschreibung	Coup-TF antibody LS-C447850 is a biotin-conjugated rabbit polyclonal antibody to Coup-TF (NR2F1) (aa38-87) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	7025
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
