Polyclonal Rabbit anti-Human RXRB Antibody (Biotin, aa151-200, WB) LS-C447873 LS-C447873-100

Artikelname	Polyclonal Rabbit anti-Human RXRB Antibody (Biotin, aa151-200, WB) LS-C447873
Artikelnummer	LS-C447873-100
Hersteller Artikelnummer	LS-C447873-100
Alternativnummer	LS-C447873-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Guinea pig, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa151-200 of human RXRB (P28702, NP_068811). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Elephant, Dog, Bovine, Bat, Horse, Pig, Opossum (100%).
Konjugation	Biotin
Produktbeschreibung	RXRB antibody LS-C447873 is a biotin-conjugated rabbit polyclonal antibody to RXRB (aa151-200) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	6257
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
