Polyclonal Rabbit anti-Human MTRPOL / POLRMT Antibody (Biotin, aa933-982, WB) LS-C451447 LS-C451447-100

Artikelname	Polyclonal Rabbit anti-Human MTRPOL / POLRMT Antibody (Biotin, aa933-982, WB) LS-C451447
Artikelnummer	LS-C451447-100
Hersteller Artikelnummer	LS-C451447-100
Alternativnummer	LS-C451447-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Guinea pig, Human, Primate
Immunogen	Synthetic peptide located between aa933-982 of human POLRMT (O00411, NP_005026). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Guinea pig (100%), Marmoset, Elephant, Panda, Dog, Bat, Opossum, Medaka, Slime mold (92%), Ga
Konjugation	Biotin
Produktbeschreibung	POLRMT antibody LS-C451447 is a biotin-conjugated rabbit polyclonal antibody to POLRMT (MTRPOL) (aa933-982) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	5442
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
