Polyclonal Rabbit anti-Human GLYAT Antibody (Biotin, aa71-120, WB) LS-C451477 LS-C451477-100

Artikelname	Polyclonal Rabbit anti-Human GLYAT Antibody (Biotin, aa71-120, WB) LS-C451477
Artikelnummer	LS-C451477-100
Hersteller Artikelnummer	LS-C451477-100
Alternativnummer	LS-C451477-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Human, Monkey, Mouse, Primate, Rabbit
Immunogen	Synthetic peptide located between aa71-120 of human GLYAT (Q6IB77, NP_964011). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Gibbon, Monkey, Marmoset, Dog (100%), Galago, Rat, Bovine, Horse, Pig (92%), Mouse (85%), Hamster (8
Konjugation	Biotin
Produktbeschreibung	GLYAT antibody LS-C451477 is a biotin-conjugated rabbit polyclonal antibody to GLYAT (aa71-120) from human. It is reactive with human, mouse, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	10249
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
