Polyclonal Rabbit anti-Human ARG99 / OLF Antibody (Biotin, aa470-519, WB) LS-C452080 LS-C452080-100

Artikelname	Polyclonal Rabbit anti-Human ARG99 / OLF Antibody (Biotin, aa470-519, WB) LS-C452080
Artikelnummer	LS-C452080-100
Hersteller Artikelnummer	LS-C452080-100
Alternativnummer	LS-C452080-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Human, Monkey, Primate
Immunogen	Synthetic peptide located between aa470-519 of human TMTC1 (Q8IUR5, NP_787057). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Dog, Bovine (100%), Mouse, Rat, Elephant, Rabbit, Horse, Guinea pig, Turkey, Zebra fin
Konjugation	Biotin
Produktbeschreibung	OLF antibody LS-C452080 is a biotin-conjugated rabbit polyclonal antibody to OLF (ARG99) (aa470-519) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	83857
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
