## Product Datasheet

### **Polyclonal Rabbit anti-Human TREM2 / TREM-2 Antibody (Biotin, aa143-192, WB) LS-C452308 LS-C452308-100**

Artikelname	Polyclonal Rabbit anti-Human TREM2 / TREM-2 Antibody (Biotin, aa143-192, WB) LS-C452308
Artikelnummer	LS-C452308-100
Hersteller Artikelnummer	LS-C452308-100
Alternativnummer	LS-C452308-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Primate, Rat
Immunogen	Synthetic peptide located between aa143-192 of human TREM2 (Q9NZC2, NP_061838). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Monkey (100%), Gibbon, Marmoset, Horse (92%), Rat, Elephant (84%), Bovine (83%).
Konjugation	Biotin
Produktbeschreibung	TREM-2 antibody LS-C452308 is a biotin-conjugated rabbit polyclonal antibody to TREM-2 (TREM2) (aa143-192) from human. It is reactive with human, rat, bovine and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	0.5 mg/ml

NCBI	<a href="#">54209</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
