CRTAM Antibody (aa216-265, Biotin) LS-C452370, Polyclonal LS-C452370-100

Artikelname	CRTAM Antibody (aa216-265, Biotin) LS-C452370, Polyclonal
Artikelnummer	LS-C452370-100
Hersteller Artikelnummer	LS-C452370-100
Alternativnummer	LS-C452370-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Porcine, Primate
Immunogen	Synthetic peptide located between aa216-265 of human CRTAM (O95727-2). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Gibbon (100%), Monkey, Marmoset (92%), Galago, Pig (85%), Bovine, Horse (84%).
Konjugation	Biotin
Produktbeschreibung	CRTAM antibody LS-C452370 is a biotin-conjugated rabbit polyclonal antibody to CRTAM (aa216-265) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml
NCBI	56253

Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
