Polyclonal Rabbit anti-Human CYP3A4 / Cytochrome P450 3A4 Antibody (Biotin, aa251-300, WB) LS-C454741 LS-C454741-100

Artikelname	Polyclonal Rabbit anti-Human CYP3A4 / Cytochrome P450 3A4 Antibody (Biotin, aa251-300, WB) LS-C454741
Artikelnummer	LS-C454741-100
Hersteller Artikelnummer	LS-C454741-100
Alternativnummer	LS-C454741-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Porcine, Primate
Immunogen	Synthetic peptide located between aa251-300 of human CYP3A4 (P08684, NP_059488). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Gibbon, Monkey (100%), Marmoset (92%), Guinea pig (85%).
Konjugation	Biotin
Produktbeschreibung	Cytochrome P450 3A4 antibody LS-C454741 is a biotin-conjugated rabbit polyclonal antibody to Cytochrome P450 3A4 (CYP3A4) (aa251-300) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	1576
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
