## Product Datasheet

### **Polyclonal Rabbit anti-Human Junctophilin 2 / JPH2 Antibody (Biotin, aa408-457, WB) LS-C454762 LS-C454762-100**

Artikelname	Polyclonal Rabbit anti-Human Junctophilin 2 / JPH2 Antibody (Biotin, aa408-457, WB) LS-C454762
Artikelnummer	LS-C454762-100
Hersteller Artikelnummer	LS-C454762-100
Alternativnummer	LS-C454762-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Equine, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa408-457 of human JPH2 (Q9BR39, NP_065166). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Elephant, Panda, Dog, Bovine, Horse, Pig (100%), Rabbit (92%), Opossum, Turke
Konjugation	Biotin
Produktbeschreibung	JPH2 antibody LS-C454762 is a biotin-conjugated rabbit polyclonal antibody to JPH2 (Junctophilin 2) (aa408-457) from human. It is reactive with human, mouse, rat and other species. Validated for WB....

Klonalität	Polyclonal
Konzentration	1 mg/ml
NCBI	<a href="#">57158</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
