Polyclonal Rabbit anti-Mouse VPS45 Antibody (Biotin, aa427-476, WB) LS-C455895 LS-C455895-100

Artikelname	Polyclonal Rabbit anti-Mouse VPS45 Antibody (Biotin, aa427-476, WB) LS-C455895
Artikelnummer	LS-C455895-100
Hersteller Artikelnummer	LS-C455895-100
Alternativnummer	LS-C455895-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Gallus, Guinea pig, Hamster, Human, Monkey, Mouse, Porcine, Primate, Rat, Xenopus
Immunogen	Synthetic peptide located between aa427-476 of mouse Vps45 (P97390, NP_038869). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Hamster, Elephant, Panda, Dog, Bovine, Bat, Horse, Pig, Guinea p
Konjugation	Biotin
Produktbeschreibung	VPS45 antibody LS-C455895 is a biotin-conjugated rabbit polyclonal antibody to VPS45 (aa427-476) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	11311
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
