Polyclonal Rabbit anti-Human SPON2 / MINDIN Antibody (Biotin, aa190-239, WB) LS-C455931 LS-C455931-100

Artikelname	Polyclonal Rabbit anti-Human SPON2 / MINDIN Antibody (Biotin, aa190-239, WB) LS-C455931
Artikelnummer	LS-C455931-100
Hersteller Artikelnummer	LS-C455931-100
Alternativnummer	LS-C455931-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Gallus, Guinea pig, Human, Monkey, Mouse, Primate, Rat, Xenopus
Immunogen	Synthetic peptide located between aa190-239 of human SPON2 (Q9BUD6, NP_036577). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Mouse, Rat, Dog, Bovine, Bat, Horse, Opossum, Guinea pig, Turkey, Zebra finch, Chicken
Konjugation	Biotin
Produktbeschreibung	MINDIN antibody LS-C455931 is a biotin-conjugated rabbit polyclonal antibody to MINDIN (SPON2) (aa190-239) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	0.5 mg/ml
NCBI	10417
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
