Polyclonal Rabbit anti-Human SLC51A / OSTalpha Antibody (Biotin, aa179-228, WB) LS-C457014 LS-C457014-100

Artikelname	Polyclonal Rabbit anti-Human SLC51A / OSTalpha Antibody (Biotin, aa179-228, WB) LS-C457014
Artikelnummer	LS-C457014-100
Hersteller Artikelnummer	LS-C457014-100
Alternativnummer	LS-C457014-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Monkey, Primate
Immunogen	Synthetic peptide located between aa179-228 of human SLC51A (Q86UW1, NP_689885). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Bovine, Horse (100%), Rat, Elephant, Rabbit, Guinea pig (91%), Pig (85%), Mouse (83%).
Konjugation	Biotin
Produktbeschreibung	OSTalpha antibody LS-C457014 is a biotin-conjugated rabbit polyclonal antibody to OSTalpha (SLC51A) (aa179-228) from human. It is reactive with human, bovine, gibbon and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	200931
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
