Polyclonal Rabbit anti-Human ARHGEF19 / WGEF Antibody (Biotin, aa287-336, WB) LS-C457098 LS-C457098-100

Artikelname	Polyclonal Rabbit anti-Human ARHGEF19 / WGEF Antibody (Biotin, aa287-336, WB) LS-C457098
Artikelnummer	LS-C457098-100
Hersteller Artikelnummer	LS-C457098-100
Alternativnummer	LS-C457098-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Equine, Human, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa287-336 of human ARHGEF19 (Q8IW93, NP_694945). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Galago, Mouse, Rat, Bat, Horse, Pig (100%), Elephant, Bovine, Opossum (92%), Marmoset (85%).
Konjugation	Biotin
Produktbeschreibung	WGEF antibody LS-C457098 is a biotin-conjugated rabbit polyclonal antibody to WGEF (ARHGEF19) (aa287-336) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	128272
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
