## Product Datasheet

### **Polyclonal Rabbit anti-Human LDHC / Lactate Dehydrogenase C Antibody (Biotin, aa91-140, WB) LS-C457814 LS-C457814-100**

Artikelname	Polyclonal Rabbit anti-Human LDHC / Lactate Dehydrogenase C Antibody (Biotin, aa91-140, WB) LS-C457814
Artikelnummer	LS-C457814-100
Hersteller Artikelnummer	LS-C457814-100
Alternativnummer	LS-C457814-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Canine, Equine, Human, Monkey, Mouse, Primate, Rabbit, Rat, Xenopus
Immunogen	Synthetic peptide located between aa91-140 of human LDHC (P07864, NP_002292). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Panda, Dog, Bat, Rabbit, Horse, Xenopus (100%), Orangutan, Ferret,
Konjugation	Biotin
Produktbeschreibung	Lactate Dehydrogenase C antibody LS-C457814 is a biotin-conjugated rabbit polyclonal antibody to Lactate Dehydrogenase C (LDHC) (aa91-140) from human. It is reactive with human, mouse, rat and other species. Validated for WB....

Klonalität	Polyclonal
Konzentration	1 mg/ml
NCBI	<a href="#">3948</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
