Polyclonal Rabbit anti-Human CDKN3 / KAP Antibody (Biotin, aa51-100, WB) LS-C457859 LS-C457859-100

| | |
|--------------------------|---|
| Artikelname | Polyclonal Rabbit anti-Human CDKN3 / KAP Antibody (Biotin, aa51-100, WB) LS-C457859 |
| Artikelnummer | LS-C457859-100 |
| Hersteller Artikelnummer | LS-C457859-100 |
| Alternativnummer | LS-C457859-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | WB |
| Spezies Reaktivität | Bovine, Canine, Guinea pig, Human, Monkey, Mouse, Porcine, Primate, Rat |
| Immunogen | Synthetic peptide located between aa51-100 of human CDKN3 (Q16667, NP_005183). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey (100%), Bat, Rabbit, Horse (92%), Marmoset, Mouse, Rat, Elephant, Dog, Bovine, Pig, Opossum, Guinea pig (85%) |
| Konjugation | Biotin |
| Produktbeschreibung | KAP antibody LS-C457859 is a biotin-conjugated rabbit polyclonal antibody to KAP (CDKN3) (aa51-100) from human. It is reactive with human, mouse, rat and other species. Validated for WB.... |
| Klonalität | Polyclonal |

| | |
|------------------------|---|
| Konzentration | 1 mg/ml |
| NCBI | 1033 |
| Puffer | PBS |
| Reinheit | Immunoaffinity purified |
| Formulierung | PBS |
| Application Verdünnung | WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
