Polyclonal Rabbit anti-Human LIM Protein / LPP Antibody (Biotin, aa107-156, WB) LS-C457871 LS-C457871-100

Artikelname	Polyclonal Rabbit anti-Human LIM Protein / LPP Antibody (Biotin, aa107-156, WB) LS-C457871
Artikelnummer	LS-C457871-100
Hersteller Artikelnummer	LS-C457871-100
Alternativnummer	LS-C457871-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Mouse, Primate
Immunogen	Synthetic peptide located between aa107-156 of human LPP (Q93052, NP_005569). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Mouse (100%), Galago, Marmoset, Panda, Dog, Rabbit, Horse (92%), Bat (91%), Elephant, Bovine (81
Konjugation	Biotin
Produktbeschreibung	LPP antibody LS-C457871 is a biotin-conjugated rabbit polyclonal antibody to LPP (LIM Protein) (aa107-156) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	4026
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
