Polyclonal Rabbit anti-Human CABYR Antibody (Biotin, aa93-142, WB) LS-C457940 LS-C457940-100

Artikelname	Polyclonal Rabbit anti-Human CABYR Antibody (Biotin, aa93-142, WB) LS-C457940
Artikelnummer	LS-C457940-100
Hersteller Artikelnummer	LS-C457940-100
Alternativnummer	LS-C457940-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Equine, Human, Monkey, Primate, Rabbit
Immunogen	Synthetic peptide located between aa93-142 of human CABYR (O75952-5, NP_722454). Percent identity by BLAST analysis: Human, Chimpanzee, Gibbon, Monkey (100%), Mouse (90%), Rabbit (84%), Galago, Elephant, Dog, Bovine, Horse, Opossum (81%).
Konjugation	Biotin
Produktbeschreibung	CABYR antibody LS-C457940 is a biotin-conjugated rabbit polyclonal antibody to CABYR (aa93-142) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	26256
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
