Polyclonal Rabbit anti-Human SCCPDH Antibody (Biotin, aa316-365, WB) LS-C458000 LS-C458000-100

Artikelname	Polyclonal Rabbit anti-Human SCCPDH Antibody (Biotin, aa316-365, WB) LS-C458000
Artikelnummer	LS-C458000-100
Hersteller Artikelnummer	LS-C458000-100
Alternativnummer	LS-C458000-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Equine, Human
Immunogen	Synthetic peptide located between aa316-365 of human SCCPDH (Q8NBX0, NP_057086). Percent identity by BLAST analysis: Human (100%), Gorilla, Orangutan, Monkey (92%), Chimpanzee, Gibbon, Horse (85%).
Konjugation	Biotin
Produktbeschreibung	SCCPDH antibody LS-C458000 is a biotin-conjugated rabbit polyclonal antibody to SCCPDH (aa316-365) from human. It is reactive with human and horse. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	51097
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
