CLMN Antibody (aa151-200, Biotin) LS-C458117, Polyclonal LS-C458117-100

Artikelname	CLMN Antibody (aa151-200, Biotin) LS-C458117, Polyclonal
Artikelnummer	LS-C458117-100
Hersteller Artikelnummer	LS-C458117-100
Alternativnummer	LS-C458117-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Guinea pig, Human, Monkey, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa151-200 of human CLMN (Q96JQ2, NP_079010). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Mouse, Rat, Dog, Bovine, Bat, Horse, Guinea pig (100%), Elephant, Rabbit (92%), Galago (85%).
Konjugation	Biotin
Produktbeschreibung	CLMN antibody LS-C458117 is a biotin-conjugated rabbit polyclonal antibody to CLMN (aa151-200) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	79789
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
