Polyclonal Rabbit anti-Mouse IGFBP5 Antibody (Biotin, aa111-160, WB) LS-C458421 LS-C458421-100

Artikelname	Polyclonal Rabbit anti-Mouse IGFBP5 Antibody (Biotin, aa111-160, WB) LS-C458421
Artikelnummer	LS-C458421-100
Hersteller Artikelnummer	LS-C458421-100
Alternativnummer	LS-C458421-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Hamster, Human, Monkey, Mouse, Porcine, Primate, Rabbit, Rat, Sheep
Immunogen	Synthetic peptide located between aa111-160 of mouse Igfbp5 (Q3UQV0, NP_034648). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Galago, Mouse, Rat, Sheep, Hamster, Elephant, Panda, Dog, Bovine, Rabbit, Pig (100%), Opossum, Guinea pig
Konjugation	Biotin
Produktbeschreibung	IGFBP5 antibody LS-C458421 is a biotin-conjugated rabbit polyclonal antibody to IGFBP5 (aa111-160) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	3488
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
