Polyclonal Rabbit anti-Human NARF Antibody (Biotin, aa323-372, WB) LS-C458652 LS-C458652-100

Artikelname	Polyclonal Rabbit anti-Human NARF Antibody (Biotin, aa323-372, WB) LS-C458652
Artikelnummer	LS-C458652-100
Hersteller Artikelnummer	LS-C458652-100
Alternativnummer	LS-C458652-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Porcine, Primate, Rabbit
Immunogen	Synthetic peptide located between aa323-372 of human NARF (B3KPX2, NP_001033707). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon (100%), Monkey, Mouse, Rat, Panda, Guinea pig (92%), Marmoset (85%), Bovine, Rabbit, Horse (84%).
Konjugation	Biotin
Produktbeschreibung	NARF antibody LS-C458652 is a biotin-conjugated rabbit polyclonal antibody to NARF (aa323-372) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	26502
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
