Polyclonal Rabbit anti-Human TINAG / TIN-AG Antibody (Biotin, aa251-300, WB) LS-C459614 LS-C459614-100

Artikelname	Polyclonal Rabbit anti-Human TINAG / TIN-AG Antibody (Biotin, aa251-300, WB) LS-C459614
Artikelnummer	LS-C459614-100
Hersteller Artikelnummer	LS-C459614-100
Alternativnummer	LS-C459614-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Equine, Human, Monkey, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa251-300 of human TINAG (Q9UJW2, NP_055279). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Gibbon, Galago, Marmoset, Mouse, Rat, Panda, Bat (100%), Elephant, Dog, Bovine, Rabbit, Opossum, Gu
Konjugation	Biotin
Produktbeschreibung	TIN-AG antibody LS-C459614 is a biotin-conjugated rabbit polyclonal antibody to TIN-AG (TINAG) (aa251-300) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	27283
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
