Polyclonal Rabbit anti-Human NCAPH2 / CAP-H2 Antibody (Biotin, aa108-157, WB) LS-C460243 LS-C460243-100

Artikelname	Polyclonal Rabbit anti-Human NCAPH2 / CAP-H2 Antibody (Biotin, aa108-157, WB) LS-C460243
Artikelnummer	LS-C460243-100
Hersteller Artikelnummer	LS-C460243-100
Alternativnummer	LS-C460243-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Equine, Human, Monkey, Primate
Immunogen	Synthetic peptide located between aa108-157 of human NCAPH2 (Q6IBW4, NP_689512). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Monkey, Marmoset (100%), Mouse, Rat, Rabbit (92%), Gibbon, Galago, Horse (84%), Panda (83%).
Konjugation	Biotin
Produktbeschreibung	CAP-H2 antibody LS-C460243 is a biotin-conjugated rabbit polyclonal antibody to CAP-H2 (NCAPH2) (aa108-157) from human. It is reactive with human, chimpanzee, horse and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	29781
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
