Polyclonal Rabbit anti-Human RDX / Radixin Antibody (Biotin, aa467-516, WB) LS-C461932 LS-C461932-100

Artikelname	Polyclonal Rabbit anti-Human RDX / Radixin Antibody (Biotin, aa467-516, WB) LS-C461932
Artikelnummer	LS-C461932-100
Hersteller Artikelnummer	LS-C461932-100
Alternativnummer	LS-C461932-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Equine, Gallus, Human, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa467-516 of human RDX (P35241, NP_002897). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Mouse, Elephant, Bovine, Bat, Horse, Opossum, Turkey, Zebra finch, Chicken, Platypus (100%), Gal
Konjugation	Biotin
Produktbeschreibung	Radixin antibody LS-C461932 is a biotin-conjugated rabbit polyclonal antibody to Radixin (RDX) (aa467-516) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	5962
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
