Polyclonal Rabbit anti-Human TFEB Antibody (Biotin, aa395-444, WB) LS-C464605 LS-C464605-100

Artikelname	Polyclonal Rabbit anti-Human TFEB Antibody (Biotin, aa395-444, WB) LS-C464605
Artikelnummer	LS-C464605-100
Hersteller Artikelnummer	LS-C464605-100
Alternativnummer	LS-C464605-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Equine, Goat, Human, Monkey, Primate, Rabbit
Immunogen	Synthetic peptide located between aa395-444 of human TFEB (P19484, NP_009093). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Baboon, Monkey, Marmoset (100%), Shrew, Dog, Bat, Rabbit (85%), Galago, Horse (84%).
Konjugation	Biotin
Produktbeschreibung	TFEB antibody LS-C464605 is a biotin-conjugated rabbit polyclonal antibody to TFEB (aa395-444) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	7942
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
