Polyclonal Rabbit anti-Mouse CACNA2D4 Antibody (Biotin, aa341-390, WB) LS-C466765 LS-C466765-100

| | |
|--------------------------|--|
| Artikelname | Polyclonal Rabbit anti-Mouse CACNA2D4 Antibody (Biotin, aa341-390, WB) LS-C466765 |
| Artikelnummer | LS-C466765-100 |
| Hersteller Artikelnummer | LS-C466765-100 |
| Alternativnummer | LS-C466765-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | WB |
| Spezies Reaktivität | Bovine, Canine, Equine, Gallus, Guinea pig, Human, Monkey, Mouse, Rabbit, Rat, Xenopus |
| Immunogen | Synthetic peptide located between aa341-390 of mouse Cacna2d4 (F8VPL1, NP_001028554). Percent identity by BLAST analysis: Human, Gorilla, Monkey, Galago, Marmoset, Mouse, Rat, Elephant, Dog, Bovine, Rabbit, Horse, Opossum, Guinea pig, Zebra finch, Chicke |
| Konjugation | Biotin |
| Produktbeschreibung | CACNA2D4 antibody LS-C466765 is a biotin-conjugated rabbit polyclonal antibody to CACNA2D4 (aa341-390) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB.... |

| | |
|------------------------|---|
| Klonalität | Polyclonal |
| Konzentration | 1 mg/ml |
| NCBI | 93589 |
| Puffer | PBS |
| Reinheit | Immunoaffinity purified |
| Formulierung | PBS |
| Application Verdünnung | WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
