Polyclonal Rabbit anti-Human CLU / Clusterin Antibody (Biotin, aa305-354, WB) LS-C468317 LS-C468317-100

Artikelname	Polyclonal Rabbit anti-Human CLU / Clusterin Antibody (Biotin, aa305-354, WB) LS-C468317
Artikelnummer	LS-C468317-100
Hersteller Artikelnummer	LS-C468317-100
Alternativnummer	LS-C468317-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Equine, Human, Mouse, Rat
Immunogen	Synthetic peptide located between aa305-354 of human CLU (P10909, NP_001822). Percent identity by BLAST analysis: Human, Horse (100%), Rabbit (90%), Gorilla, Gibbon, Mouse, Rat, Guinea pig (85%).
Konjugation	Biotin
Produktbeschreibung	Clusterin antibody LS-C468317 is a biotin-conjugated rabbit polyclonal antibody to Clusterin (CLU) (aa305-354) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	1191
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
