Polyclonal Rabbit anti-Human VASP Antibody (Biotin, aa255-304, WB) LS-C468395 LS-C468395-100

| | |
|--------------------------|--|
| Artikelname | Polyclonal Rabbit anti-Human VASP Antibody (Biotin, aa255-304, WB) LS-C468395 |
| Artikelnummer | LS-C468395-100 |
| Hersteller Artikelnummer | LS-C468395-100 |
| Alternativnummer | LS-C468395-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | WB |
| Spezies Reaktivität | Canine, Equine, Human, Monkey, Mouse, Primate, Rat |
| Immunogen | Synthetic peptide located between aa255-304 of human VASP (P50552, NP_003361). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Marmoset, Rat (100%), Galago, Elephant, Panda, Bovine, Guinea pig (92%), Dog, Horse (85%), Mouse (78%). |
| Konjugation | Biotin |
| Produktbeschreibung | VASP antibody LS-C468395 is a biotin-conjugated rabbit polyclonal antibody to VASP (aa255-304) from human. It is reactive with human, mouse, rat and other species. Validated for WB.... |
| Klonalität | Polyclonal |

| | |
|------------------------|---|
| Konzentration | 1 mg/ml |
| NCBI | 7408 |
| Puffer | PBS |
| Reinheit | Immunoaffinity purified |
| Formulierung | PBS |
| Application Verdünnung | WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
