Polyclonal Rabbit anti-Human VASP Antibody (Biotin, aa127-176, WB) LS-C468398 LS-C468398-100

Artikelname	Polyclonal Rabbit anti-Human VASP Antibody (Biotin, aa127-176, WB) LS-C468398
Artikelnummer	LS-C468398-100
Hersteller Artikelnummer	LS-C468398-100
Alternativnummer	LS-C468398-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Human, Primate
Immunogen	Synthetic peptide located between aa127-176 of human VASP (P50552, NP_003361). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Galago, Elephant, Panda, Dog, Bovine (100%), Marmoset, Rat, Rabbit, Guinea pig (92%), Mouse (90%).
Konjugation	Biotin
Produktbeschreibung	VASP antibody LS-C468398 is a biotin-conjugated rabbit polyclonal antibody to VASP (aa127-176) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	7408
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
